SHERIFF
DOUG ADAMS

UNDERSHERIFF
TYLER GARVER

With a large amount of people expected for the Wamego 4th of July Fireworks this Friday, we are posting the Sheriff's Office traffic plan for Balderson Boulevard at Highway 24 ahead of time to help driver's know which lane they need to use to EXIT the event from the VIP and MCM parking lots. This traffic plan goes into effect as soon as the show ends, typically at 10:30 P.M. We remind drivers that when exiting to be watchful for pedestrians and be patient while leaving as there are a lot of vehicles trying to leave the area at the same time. First responders work very hard to get everyone on their way as fast and safe as possible.

Thank you,

Doug Adams
Pottawatomie County Sheriff
